T87 The Round® Creative Series

Does a true-blue decorating accent appeal to you? Is a violet thermostat just what your wall has been craving? Now you can have either—or both—with Honeywell's new The Round® Creative Series thermostat and replacement cover rings.

Simply choose from among six decorator colors, snap one of the interchangeable rings into place and enjoy a cool (or is it hot?) new look for Your Home's temperature control.

The Round® thermostats currently keep an estimated 50 million American families comfortable—more than any other thermostat model.

Collect all the fun colors!

Caribbean Waves • Hawaiian Sunrise • Tahitian Sunset • Emerald Isle • Pacific Blue • Sahara Heat

T87 The Round® Creative Series

A domestic design icon since its introduction in 1952, The Round® has put on a lively new face! It combines an elegantly simple design with accurate, reliable temperature control (± 1 degree). With the Creative Series, you can have a simple, playful way to express yourself in your workspace, apartment or home.

Choose from a variety of colorful options

Select from two snap-on replacement ring packages containing three rings each:

- **Tahitian Sunset**, **Caribbean Waves** and **Sahara Heat**; and
- **Emerald Isle**, **Hawaiian Sunrise** and **Pacific Blue**.

Fits Existing Thermostats

The replacement rings fit any existing Honeywell The Round thermostat including our Easy-to-See™ model.

The Creative Series is the latest innovative option for The Round® thermostat, which has been featured in a design exhibit at the Smithsonian Institution.
